Murder Trial Begins

Jury selection began today for the murder of an Ocean Springs teenager. Christopher Roy is charged with killing 18 year old Dong Phoung Nguyen in the fall of 1999.

Investigators from the Jackson County sheriff's department believe, the murder was drug related and Nguyen was choked to death. Roy was arrested on capital murder charges, one day after authorities found Nguyen's body in a shallow grave near Vancleave.

22 year old Jonathan May has also been arrested in connection with this case. The trial is expected to begin tomorrow and last for several days.
